

Tell us what you think!

"We'd love your feedback on getting advocacy."

"But why? What difference does it make?"

"Well, it helps us to know how we're doing and make our service better."

"Do I have to answer all the questions?"

"No, you might not have an answer to them all."

"Will people know what I've said?"

"No, your name isn't on the feedback, so you can say anything you like and the people who look at it won't know who said it."

"So why are we doing this again?"

"We want to make sure your voice is heard at your hearing. What you tell us can make a difference for you and others at Children's Hearings."

"Cool, let's do it."
